# Asphalt Cutter

AVAILABLE FOR 1T-36T

The Aussie Buckets Asphalt Cutter is designed to cut through asphalt or grass with ease, making it ideal for repairs or cable and pipe installation.

Featuring a pizza cutter-style configuration, this simple mechanical attachment includes a modular bolt-on head bracket system for compatibility with multiple machines.

The high-performance blade is forged from H13 steel—heat-treated and pressure-formed for superior durability and strength.

Backed by a 5-year warranty, all Aussie Buckets Asphalt Cutters are engineered and tested to perform in the toughest conditions.

Specifications

Tonnage (t)	Weight (kg)	Blade Diameter (mm)	Blade Edge Thickness (mm)	Blade Plate Thickness (mm)	Height (mm)	Blade Material
1 - 2 . 8	75	400	8	16	635	Forged (H13)
3 - 4	80	400	8	16	635	Forged (H13)
5 - 9	85	400	8	16	640	Forged (H13)
10 - 18	260	500	12	20	860	Forged (H13)
20 - 24	300	600	12	20	940	Forged (H13)
25 - 39	400	600	16	25	1060	Forged (H13)
30 - 36	450	600	16	25	1080	Forged (H13)

Features

**Forged H13 Blade**

Forged H13 steel is a premium-grade steel that is heat-treated and pressure-formed to deliver maximum strength, heat resistance, and durability. It's a go-to material in industries such as automotive, aerospace, and heavy machinery ensuring a long lasting and hassle free operation.

**Simple Structure**

Engineered for simplicity, the structure features minimal wear components, reducing maintenance requirements and enabling quick, on-site repairs with ease.

**Modular Head Bracket**

Utilising a modular bolt-on head bracket system, allowing for multiple use across a variety of machines via an additional interchangeable pick up.
